

OSHA 10-HOUR

Protect your employees from an unsafe jobsite.

REGISTRATION & PAYMENT DUE MONDAY, OCTOBER 24, 2022

The OSHA 10-Hour course for Construction will provide training for your employees on the potential hazards that are typically found on your work sites. Attendees will have a greater understanding of OSHA and the construction standards, with special emphasis placed on hazard identification, avoidance, control, and prevention. In addition, participants in the class will learn more about their rights and their employer's responsibility for maintaining a safe work environment. **Join us and commit to improving the safety culture within your company.**

Tom VanderLinden is a former Executive Officer for Iowa OSHA Enforcement and offers unique and valuable insights throughout the course.

UPON COMPLETION, PARTICIPANTS WILL BE MAILED AN OSHA 10 CERTIFICATION CARD.
