

BENEFITS OF A MULTIPLE EMPLOYER PLAN

SAVE TIME SO YOU CAN FOCUS ON YOUR BUSINESS

ABC of Iowa Retirement Plan

By joining the ABC of Iowa Retirement Plan you are able to provide a powerful retirement plan, help save money, and spend less time administering it.

While a Multiple Employer Plan (MEP) arrangement offers adopting employers the ability to delegate fiduciary functions to the MEP provider, employers should be aware that they still retain the fiduciary responsibility for selecting and monitoring the MEP provider. Because an MEP is treated as a single plan, a violation of the qualification rules by an adopting employer could affect the qualified status of the plan as a whole. In order to be treated as a single plan under the qualification rules, the adopting employers of an MEP must share a commonality — a connection among the adopting employers such as a trade or professional organization.

Before adopting any plan you should carefully consider all of the benefits, risks, and costs associated with a plan. Information regarding retirement plans is general and is not intended as legal or tax advice. Retirement plans are complex, and the federal and state laws or regulations on which they are based vary for each type of plan and are subject to change. In addition, some products, investment vehicles, and services may not be available or appropriate in all workplace savings plans. Plan sponsors and plan administrators may wish to seek the advice of legal counsel or a tax professional to address their specific situations.
