

OSHA 30-HOUR

Protect your employees from an unsafe jobsite.

REGISTRATION & PAYMENT DUE FRIDAY, FEBRUARY 14, 2025

The OSHA 30-Hour course for Construction will provide training for your employees on the potential hazards that are typically found on your work sites. Attendees will have a greater understanding of OSHA and the construction standards, with special emphasis placed on hazard identification, avoidance, control, and prevention. In addition, participants in the class will learn more about their rights and their employer's responsibility for maintaining a safe work environment. **Join us and commit to improving the safety culture within your company.**

Tom VanderLinden is a former Executive Officer for Iowa OSHA Enforcement and offers unique and valuable insights throughout the course. Questions, call 515-985-1166.

UPON COMPLETION, PARTICIPANTS WILL BE MAILED AN OSHA 30 CERTIFICATION CARD.
