Description:

This course has been approved by the Iowa Electrical Examining Board (IEEB) for 6 hours of Code Continuing Education Hours (CEH).

This 6-hour course is designed for those who wish to keep informed and increase their understanding and expertise in grounding and bonding of electrical systems and equipment. This course clearly explains the fundamentals and practice of grounding in easily understood language. Dozens of color illustrations and photos clarify and simplify the fundamental principles of grounding and bonding.

ABC of Iowa reserves the right to cancel this course if the minimum number is not reached by the posted deadline.

Cancellations prior to the January 17th deadline will be refunded 50% of the registration fee.

No refund for cancellations after January 17th. **NO SHOW = NO REFUND**

All students are required to bring 2020 NEC Codebook, pen/pencil, notepad, highlighter, calculator and IEEB license (if applicable).
