

# PRICE ELECTRIC

## DERECHO RESIDENTIAL SERVICE REPAIR

*CEDAR RAPIDS, IA*

Residential & Small Commercial | (Over \$1 Million)

**Size of Project:**  
100's of Homes

**Length of Project:**  
18 Days

### ***TYPE OF CONSTRUCTION***

From cutting back fallen trees to complete repairs, it was all hands-on deck for the Price Electric team when the historic Derecho windstorm tore their community apart. Price completed one-third of the residential repair work in the Cedar Rapids metro area.

### ***BUILDING FEATURES***

Three weeks after the once in a lifetime Derecho tore through Iowa, Price Electric had completed nearly 700 residential service rebuilds, several residential generator hookups, commercial service temporary power connections and assisted their industrial and manufacturing customers with ensuring their startups went smoothly.
